By the way, I have not received anything on the Antioch expansion, either from Div. of Reclamation or the Corps...

Hi Andrea,

We have to do individual S7 consultations on mines now. When the Service wrote the SPR BiOp they said the old BiOp is no longer valid. So, when the SPR was killed so was the BiOp, and since we said the old BiOp isn't valid that left us with nothing.

However, I'm not sure anyone has thought about how we handle amendments, or consultations with the Corps for mines that have their SMCRA permit but not their CWA permit...

How are you all handling Section 7 with new mines now? Old BO, New BO, or individual sect 7 permitting.

Reviewing a mine expansion for Antioch and noticed they did not have a SMCRA permit yet for all of the expansion.
